WEPC Community Preschool  
~ Proof of Child's Identity and Age ~

**\*\*Due w/ Enrollment Packet\*\***

***Proof of Identity is only needed for NEW students. If your child has been enrolled in our preschool we already have this on file.***

The Virginia State Department of Social Services requires that all children enrolling in a child day program provide proof of their identity and age.

**Proof of your child's identity and age may include a certified copy or the original of any one of the following:**

- Child's birth certificate
- Notification of birth (from the hospital, attending physician or midwife)
- Birth registration card
- Passport
- Placement agreement or other proof of the child's identity from a child placing agency (foster care and adoption agencies)
- Entrustment agreement conferring temporary legal custody of a child to an independent foster parent
- School record from a public school in Virginia
- Certification by a principal or principal designee of a public school in the U.S. that a certified copy of the child's birth record was previously presented

**To show this proof, you may choose from the following options:**

1. Turn in a certified or notarized copy of the above paperwork.
2. Bring your original proof of identity to the WEPC office for a signed copy to be made.

If proof of identity is not on file by one week after your child's first day of school, the Preschool Director is required by law to notify the local law-enforcement agency.

## **School Entrance Health Forms Due August 14, 2020**

The Virginia School Entrance Health Form is not due with the rest of the enrollment packet. They must be on file at WEPC before your child can begin preschool. Please turn these forms in to Casey Zollinhofer no later than August 14, 2020.

Your pediatrician can fill out these forms based on your child's last check up if he/she has had one since January 1, 2020. If your child has not had a check up since January 1, 2020 then you'll need to schedule an appointment with your child's pediatrician to have a check up and have these forms filled out.

If your child's birthday is between August 15 and December 31, you can turn in a School Entrance Health Form from a well check up that was between August 15, 2019 and December 31, 2019. However, you **MUST** turn in an updated School Entrance Health Form by 1 year from the date on your 2019 health form.

Most pediatricians have these forms in their offices as well.

**School Entrance Health Form Due August 14, 2020.**
