- 
- 1.) Come Lord and tarry not  
Bring the long looked for day  
O why these years of waiting here  
These ages of decay

Come for Thy saints still wait  
Daily ascends their sigh  
The Spirit and the Bride say come  
Does Thou not hear the cry...

*O come and make all things new*  
*Come and make all things new*  
*O come and make all things new*  
*Build up this ruined earth*  
*Come and make all things new*

- 2.) Come for creation groans  
Impatient of Thy stay  
Worn out with these long years of ill  
These ages of delay

Come for love waxes cold  
Its steps are faint and slow  
Faith now is lost in unbelief  
Hope's lamp burns dim and low...
