

Dear WEPCkids Parents,

I am excited for our church family as we enter this season of Advent. We are waiting on the celebration of our Savior's birth, and waiting for Jesus to come again.

This season can be busy, and crazy and distracting from the true meaning of Christmas. Let's encourage each other to take time with our families and put our focus on baby Jesus, the greatest gift there ever was.

For the month of December, leading up to Christmas, we will be reading from our Jesus Storybook Bible. If you do not have one, we have plenty. Please take one as a gift.

Here is how it works:

1. As a family, read the daily passage from *The Jesus Storybook Bible*. There are also Bible references, feel free to read those too!
2. Have your child cut out the day's ornament.
3. Hang the ornament on your Advent/Christmas tree for all to be reminded that Jesus is coming!

There are some extras included in the packet, coloring sheets and some sweet illustrations you can use as decorations.
