

A Worship Study Guide for Individuals, Groups and Families for the week of September 11, 2022

The Necessity of New Birth

- Every service at WEPC begins with a **Call to Worship**, this week [from Psalm 27](#). These verses tell us that as we worship, we often discover that our longing hearts ultimately want to see the LORD. **What has your heart been wanting this week? How might that longing actually be a mercy that really leads to God in the end?**
- This week, we [heard from Melissa Daniels](#) who shared how Jesus met her, just as He met with Nicodemus. Melissa shared how God used her longing for healing to lead her to greater trust in Jesus. **What are you struggling with that shows you your weakness and need for a Savior?**
- In every worship service, we sing songs to God that agree with the message preached to the church. This week we introduced **The Comfortable Words**: [listen to the song](#) or [read the lyrics](#). Are these words of Jesus from Matthew 11 and John 3 a comfort to you? Why?
- This week, Pastor Steve Shelby preached from [John 3:1-10](#). **What things mark personal revival? How would you know that the Holy Spirit had revived you? How would you know if He revived our church? How do you know if you are “born again”?**
- **Pray that hearts at WEPC will be made new.** Do you need to become a Christian? To be renewed as a follower of Jesus? To change, believe, or to repent? Hint: The answer is “Yes”, and you can ask Jesus to meet with you right now!
