

A Worship Study Guide for Individuals, Groups & Families

November 20, 2022: *Light*

- In every worship service, we sing songs to God that help us better understand the sermon. This week, we learned “*God is Good.*” [Listen to the song](#) or [read the lyrics](#). This sweet song of blessing helps us reflect on how we come to know the goodness of God. **After listening to this song, how might “your bad days prove that God is good”?**
- This week, **we heard from [John Minor](#)** who shared how Jesus met him, just as He met with Nicodemus. As John reflected on the whole course of his life, He realized that Jesus was with him all the way. Evidence of God's grace faithfulness were everywhere. **Think about the stages of your life. Can you see the Lord's hand? What themes might you use to describe God's work over the course of your life?**
- In every worship service, we read an Old Testament passage that is a companion to the New Testament sermon text. This week we read [Isaiah 9:2-7](#). **Isaiah sees a day coming when people stuck in the dark would find themselves in the light? In Isaiah's vision, what is “the light”? What do the people now see in this God-given light?**
- This week, Pastor Steve Shelby preached from [John 3:16-21](#). **What does Jesus mean by “darkness” and “light”? What marks someone who “loves the light”?**
- **Pray that hearts at WEPC will be made new.** Ask Him for faith to believe that He so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life. Do you need to become a Christian? Be renewed as a follower of Jesus? To change, believe, or to repent? Hint: The answer is “Yes” and you can ask Jesus to meet you right now!
